## HISTORY OF THE TOURNAMENT

The Brantwood Foundation's Charity Golf Tournament raises funds to be used towards the purchase of new wheelchair accessible vehicles. It also gives supporters of Brantwood an opportunity to come out and have a great day of golf, dinner and entertainment.

Thanks to our generous donors, the people that Brantwood supports are offered the freedom to come and go from their homes, enabling them to be full and active members of the community, which contributes to a significant reduction in isolation.

The continued support for this tournament has made it Brantwood's single largest fundraising event each year. At our 2011 Tournament, golfers, members of the community and local businesses helped us raise **over \$35,000** to help offset the price of replacing aging vehicles.

**Sports Alumni in Attendance:**  
David Lane (CFL), Rudy Florio (CFL), Glen Weir (NHL), Pat Hickey (Honourary Chair and NHL alumnus), Dave Hutchison (NHL)

Involved in the community  
with pride.
